

Camp Pollock Event Rentals During COVID-19

July 3, 2020 Update

As of July 2, 2020, the Sacramento County amended Public Health Order continues to reinforce the direction that all individuals stay home as much as possible and carry on with social distancing protocols. Religious and cultural ceremonies are allowable only with strict social distancing requirements.

Small Outdoor Ceremonies and Religious Gatherings

Basis for Addition. Although ceremonies and religious gatherings carry a substantial risk of transmission, they are vital to people's social and spiritual wellbeing. The risk associated with these activities is mitigated when the activities occur outdoors, and when the total number of participants is limited. Risks associated with these activities can be further mitigated through measures that decrease exposure, ensure adequate social distancing, and limit intermixing between households.

Description and Conditions. Outdoor ceremonies and religious gatherings, including but not limited to funerals and weddings, may occur subject to the following limitations in addition to those required in public health orders:

1. Ceremonies and gatherings must occur entirely outdoors, except that participants may use restrooms, provided that the restrooms are frequently sanitized.*
2. No more than 25 persons may be present at any one time.
3. A person or business listed on the reservation must serve as the designated host for the ceremony or gathering, and must ensure compliance with all public health orders.
4. The host must maintain a list with the names and contact information of all participants. If a participant tests positive for COVID-19, the host shall assist the County Public Health Department in any case investigation and contact tracing associated with the gathering.
5. Food, beverages, and other concessions may not be provided or sold for consumption at the ceremony or gathering, except as necessary for ceremonial purposes with maximization of all safety precautions and avoidance of sharing.
6. No equipment or items may be shared amongst persons, except amongst members of the same household or living unit.
7. No singing or shouting is allowed due to significantly increased risk of COVID-19 transmission.
8. All participants must wear face coverings at all times, except people who are exempted from the face covering requirement pursuant to the Health Officer's Critical Guidance on Face Coverings.
9. Except for members of the same household or living unit, all participants must remain at least six feet from one another at all times.

*SVC will not manage cleaning of restrooms or provide supplies to clean restrooms during the rental event. Renters must bring their own soap, hand sanitizer, cleaning supplies, and PPE.

As required in the Camp Pollock Rental Terms & Conditions, "Renters shall be responsible, at the renter's sole cost and expense, for obtaining any and all necessary and required government permits or permissions for licensee's use(s) of Camp Pollock, and shall comply with all applicable local, state and federal laws and regulations."
