

Camp Pollock Interpretive Signage

SPONSORSHIP FACT SHEET

Camp Pollock is located in the heart of the Lower American River Parkway, just north of downtown Sacramento. The Sacramento Valley Conservancy (SVC) has been managing and revitalizing the 11-acre riverfront site since 2013. The beautiful property is open to the general public every day from sunrise to sunset, with free parking and river access.

More than 1,700 youth visit the property through 40 educational field trips and campouts each year. Camp Pollock annually hosts more than 150 events and 7,000 visitors for day-camps, trainings, concerts, volunteer projects, family gatherings, youth campouts, cultural ceremonies, fitness events and much more.

To better communicate the unique features of this vital resource, SVC has embarked on a mission to improve educational programs and signage on the property. Your sponsorship of an interpretive sign will create a lasting legacy for your company, community group, family, or organization. There are many sign topics to choose from, and varying levels of support with recognition benefits.
